Experience

Freelance Graphic Designer

Aug 2010 - Present (11 years 10 months +)

Creating visually appealing and effective designs for various mediums, including print and digital. Collaborating with clients to understand their needs, develop design concepts, provide revisions based on feedback, and deliver final design files that meet client requirements and deadlines.

Lead Designer/Art Director

TemplateMonster.com

May 2002 - Aug 2011 (9 years 4 months)

Providing creative leadership and direction for design projects, managing and motivating design teams, and ensuring the successful execution of visual designs that align with client objectives and brand standards.

Chief Designer

KVIT Printing Office

Apr 2000 - May 2002 (2 years 2 months)

Creating and making pre-press for designs, such as brochures, flyers, posters, and packaging.

Education

Admiral Makarov National University of Shipbuilding, Mykolaiv, 2003, bachelor's degree.
